WHS EXPENDITURES PER STUDENT

School districts receive dollars from different sources. Unrestricted funds allow a district to determine how best to use that money to benefit students. Other funds from the Federal government, the State of California, and local County funds stipulate how those funds are used.

WHS Unrestricted funds per pupil:\$5,833.00

WHS Restricted funds per pupil \$255.00

MJUSD Unrestricted funds per pupil: \$7,441.00

Unrestricted funds per pupil California state average: \$5,455.00

The present facility of **Warner High School** was constructed in the 1980s. Our student population varies from year to year, but instruction is individualized to each student's needs. While we are small and remote, our students have the same basic same educational opportunities that large schools offer. Warner High School provides the same academic core curriculum of English/language arts, social science, science, and mathematics as our traditional high school. WHS serves students in the ninth through twelfth grade and provides an alternative educational environment to students who do not adjust to the traditional environment or who need specialized schedules. Warner High School is staffed by one teacher who individualizes instruction and one instructional aide.

The school is housed in a comfortable and modern room close to the traditional high school. The building also houses other alternative education programs. Appropriate restroom facilities are provided. A custodian cleans the room daily, when students are not present.

Open communication is encouraged, and parents are contacted by the classroom teacher on positive incidents and achievements as well as concerns. Parents are encouraged to volunteer in the classroom or to visit the school's AERIES site to monitor their student's progress.

WARNER HIGH SCHOOL TEXTBOOKS: The State of California requires that all basic texts have been officially approved and adopted by the State of California and the local Board of Education. All textbooks used at WARNER HIGH SCHOOL meet these requirements. The ratio of text to student is 1:1. For a detailed list of texts, please refer to the Warner High School complete SARC report.
