KINDERGARTEN:

All of Miss Bryie's students are super students! They are all working hard on their rainbow words (high-frequency words). I have many students already "on the grass" (ready for 1st grade words). Hooray for Chloe, Madison, Maggie, Summer, and Taylor! Way to go girls!!! We are also working on counting to 100. A lot Miss Bryie's students are non-stop counting and they are Taylor, Maggie, Madison, Payton, Omar, Summer, and Jake. You are all awesome!!! Adam Gallardo is doing a great job! He loves to read and isn't afraid to pick up a book and get going. He works really hard and is fun to be around. Mickayla Carreker is fantastic! She always does her best and has a smile on her face. She is a great friend to everyone and is always ready with a kind word or a hug.

Ryan Weber, Becca Worch, Haylee Farrington, and Brooke Dolby know all of their rainbow words and are taking books home to read daily!!! You are terrific Kindergartners!!!!
