At the beginning of each fiscal year, the full amount of sick leave granted under this Section shall be credited to each employee. Credit for sick leave need not be accrued prior to taking such leave and such leave may be taken at any time during the year. However, a new employee of the District shall not be eligible to take more than six (6)

days until the first day of the calendar month after completion of six (6) months of active service with the District.

If an employee does not take the full amount of leave allowed in any year under this section, the amount not taken shall be accumulated from year to year.

When an employee is absent from his/her duties for a period of five (5) months or less due to injury or illness whether or not the absence arises out of or in the course of employment of the employee, the amount deducted from salary due him for any month in which the absence occurs shall not exceed the sum which is actually paid to fill his/her position.

ARTICLE X - LEAVES

Bereavement Leave:

Employees shall be granted a leave with full pay in the event of the death of any member of the employee's immediate family. The leave shall be for a period not to exceed three (3) days. An employee shall be entitled to leave without loss of pay for any time the employee is required to perform jury duty. The District shall pay the employee the difference, if any, between the amounts received for the jury duty and the employee's regular rate of pay. Any meal, mileage, and/or parking allowance provided the employee for the jury duty shall not be considered in the amount received for jury duty. If any employee in the bargaining unit whose regular assigned shift commences at 4:00 p.m. or after and he/she is required to serve later than 12:00 p.m. on jury duty, he/she shall be relieved from work with pay.

The District may require verification of jury duty. Employees are required to return to work during any day or portion thereof in which jury duty services are not required.

Personal Necessity Leave:

Up to seven (7) days of absence earned for sick leave may be used by the employee, at his/her election, in cases of personal necessity on the following basis:

The death of a member of the employee's immediate family when additional leave is required beyond that provided in the bereavement leave section of this Article;

When resulting from an appearance in any court or before any administrative tribunal as a litigant, party, or witness.

Members of the bargaining unit shall contact their immediate supervisor or department office prior to the start of their regular work shift. Failure to do so may result in ineligibility for paid leave.

The District and Union both recognize that from time to time employees have a legitimate need to be absent during normal working hours in order to attend to pressing personal business which cannot be attended to during off-duty hours. Therefore, employees shall be granted the right to use up to three (3) of the seven (7) personal necessity days for reasons of personal business, which are not listed above. It is understood and agreed to by the parties that such personal business leave shall not be used by any classified employee for purposes of recreation, travel or entertainment. The employee shall notify the District, in writing, as far in advance as possible. Permission to take leave for personal business must be secured prior to commencing such leave from the employee's immediate supervisor. Permission shall not be unreasonably withheld.

The claim for court or administrative tribunal leave will be supported by a copy of the subpoena or other court document. In the case of accident or illness, the District may request, in addition to the employee's written statement, that the employee substantiate the claim by a written physician's statement or in the case of property damage, verification by a public official.

Industrial Accident & Illness Leave (Worker's Compensation Leave):

In addition to any other benefits that an employee may be entitled to under the Workers' Compensation laws of this state, the employee shall be entitled to the following benefits:

An employee suffering an injury or illness arising out of and in the course and scope of his/her employment shall be entitled to a leave of up to sixty (60) days in any one fiscal year for the same accident or illness. This leave shall not be accumulated from year to year, and when any leave will overlap a fiscal year, the employee shall be entitled to only that amount remaining at the end of the fiscal year in which the injury or illness occurred.

Payment of wages lost on any day shall not, when added to an award granted the employee under the Workers' Compensation laws of this state, exceed the normal wage for the day. The industrial accident or illness leave is to be used in lieu of normal sick leave benefits.

When entitlement to industrial accident or illness leave under this section has been exhausted, entitlement to other sick leave, vacation or other paid leave may then be used. If, however, an employee is still receiving temporary disability payments under the Workers' Compensation Laws of this State at the time of the exhaustion of the benefits under this section, he/she shall be entitled to use only so much of his/her accumulated and available normal sick leave and vacation leave, which, when added to the Workers' Compensation award, provides for a day's pay at the regular rate of pay.

Any time an employee on industrial accident or illness leave is able to return to work, he/she shall be reinstated in his/her position or a comparable position without loss of pay or benefits.

Unit members are entitled to leave under these provisions based on any claim with the District's worker's compensation insurance carrier accepts as valid.

Military Leave:

An employee shall be entitled to any military leave provided by law and shall retain all rights and privileges granted by law arising out of the exercise of military leave.

General Leaves:

When no other leaves are available, leave of absences may be granted to an employee on a paid or unpaid basis at the sole discretion of the District.

Therefore, a unit member who works or has worked in two or more classes may achieve seniority in each separate class. Seniority in two or more classes is determined by the amount of time worked in each class. For example, if a person works five years in one class, then the person has five years of seniority in that class and if the person works three years in another class, then the person has three years seniority in that class. Seniority in separate classes shall not be combined for the purposes of layoff.

F. Layoff Procedures:

Unit members shall be subject to layoff for lack of work or lack of funds or as otherwise provided by law.

1. Layoff includes any reduction in hours of employment or assignment to a class or grade lower than that in which the unit member has permanence, voluntarily consented to by the unit member (pursuant to these provisions), in order to avoid interruption of employment by layoff

2. Order of Notice of Layoff. The order of notice of layoff within the classification affected shall be determined by length of service within the class. The unit member who has been employed the shortest time within the classification, plus other higher classifications within the same class, shall be laid off first.

Notwithstanding the above, it is agreed and understood that the District has the right to discontinue a function or service performed by a particular position within a classification.

In case of two or more unit members having identical seniority, the seniority shall be determined by lot.

3. Options of Unit Members Notified of Layoff. The District shall notify a unit member whose position has been eliminated that he/she must elect one of the following within five (5) working days of receipt of notice. Except for options (a) and (g), the following options are listed in priority order, and the unit member must select the first applicable option. The unit member has the right to select options (f) or (g) regardless of the availability of other options listed.
 - a) Select a vacant position in the same classification which is equal in number of hours of employment;
 - b) Displace the least senior unit member from the least senior remaining position in the same classification which is equal in number of hours of employment;
 - c) Select another classification in a vacant position in which the unit member has previously completed the probationary period, which has an equal number of hours of employment and for which the unit member possesses the required licenses or certificates;
 - d) Displace the least senior unit member in another classification from the least senior remaining position in which the unit member has previously completed the probationary period and for which the unit member has greater seniority in that classification, and for which the unit member possesses the required licenses and certificates.

- e) Select options (a) through (d) which have fewer number hours of employment.
- f) Elect to be laid off.
- g) Elect a service retirement.

The District is not required to split the hours of a position in order to accommodate the employment of any unit member whose position has been eliminated.

- 4. Prior to any layoff, the District shall post a seniority list of unit members. The District shall also provide Teamsters with a copy of the seniority list.

G. Reduction in Hours:

- 1. Unit members shall be subject to reduction in hours for lack of work or lack of funds, including the reduction or elimination of service being performed by the District.
- 2. The District may reduce the hours of unit members upon sixty (60) days written notice to the unit member.
- 3. Unit members whose hours are reduced are eligible for reinstatement of hours in their former classification for a period of sixty-three (63) months, if the District increases hours of existing positions within the class. Reinstatement of reduced hours shall be based on seniority, except where the District determines to implement the reinstated hours of service during the same hours which the unit member is already service and, in that event, may offer the hours to any other person.

H. Re-employment after Layoff:

- 1. Re-employment shall be in the reverse order of layoff. Unit Members who are laid off are eligible for re-employment in their former classification for a period of thirty-nine (39) months and shall be re-employed in preference to new applicants. In addition, such unit members laid off shall have the right to apply for promotional positions within the District during the thirty-nine (39) month period. Before offering re-employment, the District may reorganize, restructure, and reassign unit members within their classifications.
- 2. Employees who take voluntary demotions or voluntary reductions in assigned time in lieu of layoff shall be granted the same rights as unit

members laid off for a period of sixty-three (63) months provided that the same tests of fitness under which they qualified for appointment still apply.

3. Refusal of two (2) offers of re-employment to the classification from which laid off shall cause removal from the list and the loss of any re-employment rights.
4. Offers of re-employment shall be made either by personal service or First Class Mail addressed to the last known address and shall include the specific vacancy and hours being offered, the rate of pay, and a mechanism for acceptance or refusal of the offer of re-employment within the prescribed time limit, and a place for the unit member's signature. Failure to so reply within ten (10) working days from date of personal service or of mailing of the offer of re-employment shall be deemed a refusal of that offer of employment. It is the responsibility of each unit member on a re-employment list to file with the District Office a current mailing address.
5. A unit member who is laid off and subsequently rehired from a re-employment list shall have the accrued sick leave balance as of the date of layoff reinstated.

I. Completion of Meeting and Conferring Regarding the Impact of Layoff:

This concludes negotiation on all aspects of the impact of layoff and, in the event of layoff, the District is not required to, and the District and Teamsters specifically waive negotiation regarding impact of layoff of unit members.

J. General Provisions:

It is the intent of the parties that the District has the right to direct the work force in order to provide services and educational programs.

ARTICLE XIV - GRIEVANCES

A. Definitions :

A "grievance" is a formal written allegation by an employee that the employee has been adversely affected by a violation of specific provisions of this Agreement. Actions to challenge or change the provisions of this Agreement or the policies of the District as set forth in the Board policies and Administrative regulations and procedures must be undertaken through separate legal processes. Other matters for which a specific method of review is provided by law, by the rules and regulations of the Governing Board or by the Administrative regulations and procedures of the District are not within the scope of this procedure.

A "grievant" is any classified employee of the District covered by the terms of this Agreement.

A "day" is any day in which the central administrative office of the Modoc Joint Unified School District is open for business.

The "immediate supervisor" is the lowest level administrator having immediate jurisdiction over the grievant who has been designated to adjust grievances.

B. Level I

Before filing a formal written grievance, the grievant shall attempt to resolve a problem through at least one (1) conference with the employee's immediate supervisor.

C. Level II

If such a problem is not settled at Level I, the grievant must present the employee's grievance in writing on the appropriate form to the employee's immediate supervisor within five (5) days after the occurrence of the act or omission giving rise to the grievance. The District grievance form shall be available at each school

This statement shall be a clear, concise account of the grievance, the specific contract provision alleged to have been violated, the circumstances involved, the decision rendered at the informal conference and the specific remedy sought.

The supervisor shall communicate the decision to the employee in writing within five (5) days after receiving the grievance. If the supervisor does not respond within the time limits, the grievant may appeal to the next level.

Within the above time limits either the employee or the supervisor may request another personal conference on the grievance.

D. Level III

If the grievant is not satisfied with the decision at Level Two, he/she may, within ten (10) days appeal the decision in writing to the superintendent or designee. This statement shall include a copy of the original grievance, the decisions rendered, and a clear, concise statement of the reasons for this appeal.

The superintendent or the employee's designee shall communicate the employee's decision to the grievant within ten (10) days. If the superintendent or the employee's designee does not respond within the time limits provided, the grievant may appeal to the next level.

E. Level IV

If the grievant is not satisfied with the decision at Level Three, he/she shall use the services of a State mediator to assist the parties in resolving the grievance. If the use of the State mediator does not resolve the grievance, the grievant may appeal the grievance within ten (10) days of completing the mediation process. The Teamsters must consent, in writing, to moving the grievance to mediation. Neither

party may refer to any proposed solution offered by the other side during mediation at any subsequent step.

F. Level V

If the grievance is not resolved at Level Three (3) or Four (4), the employee shall file, within ten (10) days, a receipt of the recommended resolution, a request for advisory arbitration, outlining the basis for the grievance and the requested adjustment, and including the written proposed resolution received at Level Three (3) and Four (4). The Teamsters must consent, in writing, to moving the grievance to arbitration.

The advisory arbitrator shall be an arbitrator chosen by mutual Agreement of the District and the Union. The neutral shall be selected from a list of arbitrators provided by the State Mediation and Conciliation Service, except that the parties may mutually agree to another mode of selection.

The District and the Union shall bear the arbitration expenses equally, excluding any fees incurred by a party for their own representation.

Upon submission of the grievance at Level Three, the advisory arbitrator shall be chosen within twenty-two (22) working days. After selection of the arbitrator, a hearing shall be conducted as soon as is practical.

The arbitrator shall have no power to add to or subtract from the Agreement. The arbitrator shall not establish salary structures. The arbitrator shall, within ten (10) days after the completion of the hearing, submit its recommendations to the Governing Board (with copies to the Union and grievant), unless otherwise agreed by the parties.

Within ten (10) days of receipt of the panel's recommendation, the Governing Board shall render a final and binding decision, absent appeal to a court of competent jurisdiction.

The grievant retains the right to bypass arbitration and appeal the Superintendent's decision directly to the Governing Board.

ARTICLE XV - RETIREMENT BENEFITS

The District shall provide retirement benefits to bargaining unit members in compliance with Modoc Joint Unified School District Policy BP 4217.13. That policy shall be modified only to the extent that, if an employee provides the District with written notice pursuant to policy, the employee may qualify for retirement benefits by retiring in full from employment with the Modoc Joint Unified School District effective June 30 of the year of application.

ARTICLE XVI - CONCERTED ACTIVITIES

It is agreed and understood that there will be no strike, work stoppage, slowdown, picketing, or refusal or failure to fully and faithfully perform job functions and responsibilities, or other interference with the operations of the District by Union or by its officers, agents, or members during the term of this Agreement, including compliance with the request of other labor organizations to engage in such activity.

The Union recognizes the duty and obligation of its representatives to comply with the provisions of this Agreement and to make every effort toward including all employees to do so. In the event of a strike, work stoppage, slowdown, or other interference with the operations of the District by employees who are represented by Union, Union agrees in good faith to take all necessary steps to cause those employees to cease such action.

It is agreed and understood that any employee violating this Article may be subject to discipline up to and including termination by the District. It is understood that in the event this Article is violated the District shall be entitled to withdraw any rights, privileges, or services provided for in this Agreement, in the District policy, or by Education Code from any employee and/or Union. During the term of this Agreement, the District agrees not to engage in any lockout of employees covered by this Agreement.

ARTICLE XVII - SAVINGS PROVISIONS

If any provisions of this Agreement are held to be contrary to law by a court of competent jurisdiction, such provisions will not be deemed valid and subsisting except to the extent permitted by law, but all other provisions will continue in full force and effect.

ARTICLE XVIII - ENTIRE AGREEMENT

The Union agrees that this Agreement is intended to cover all matters relating to wages, hours, and all other terms and conditions of employment, and that during the term of the Agreement neither the District nor the Union will be required to meet and negotiate on any further matters affecting these or any other subjects not specifically set forth in the Agreement. The Agreement may be altered, changed, added to, deleted from, or modified only through the voluntary mutual consent of the parties in a written signed amendment to this Agreement.

ARTICLE XIX - TERM OF AGREEMENT

This Agreement shall remain in full force and effect up to and including June 30, 2024, and thereafter shall continue in effect year-by-year unless one (1) of the parties notifies the other of its request to modify, amend, or terminate the Agreement. This notification shall occur in writing no later than 120 days prior to the expiration date of this Agreement. The Union shall have the right to designate three (3) employees, who shall

be given thirty (30) hours of paid release time, which shall be taken in one-half (1/2) day increments to participate in negotiations. The cost of any additional release time necessary for participation in negotiation shall be borne equally by the Union and the District.

Reopening for wages and benefits for the 2022-2023 and 2023-2024 School Years.

Possible Reopening: If the District reaches agreement with the CTA for the school years encompassed in this agreement for a percentage compensation increase in excess of the percentage compensation increase awarded to the Teamsters for either of such school years, then within 30 days of the settlement with CTA, Teamsters may reopen negotiations on the topic of compensation only on that school year or years upon written notice to the District.
